AERIAL SPRAY AGREEMENT

I agree, the biological insecticide Foray 48B (Pesticide Control Products #24977) will be used in the aerial spray operation and that the spraying is scheduled to take place between May 7, 2022 and June 10, 2022, weather permitting.

I agree, to notify to the best of my abilities all adjacent non-participating landowners of my intent to aerial spray. Due to the COVID-19 crisis, a signed Spray Notification & Objection Waiver from adjacent non-participating landowners will not be required, unless requested by Trees Unlimited (TU) or Zimmer Air Services (ZAS). Instead, the property will be posted at the major access points with spray notification signs. ZAS & TU appreciate your patronage but we may not be able to treat all properties.
