

The Township of West Lincoln's Drinking Water Quality Management System Policy

The Township of West Lincoln owns, operates and maintains the Smithville Drinking Water Distribution System, which is supplied with treated water from the Region of Niagara.

The Township of West Lincoln is committed to:

- Providing safe drinking water to our consumers
- Complying with applicable legislation, as related to the provision of safe drinking water
- Maintaining and continually improving the effectiveness of our Quality Management System

The Township of West Lincoln, including its managers and employees, is dedicated to promoting owner and consumer confidence in the safety of the drinking water supply.

TOWNSHIP OF WEST LINCOLN
