

PUBLIC NOTICE

SMITHVILLE WATER CUSTOMERS

Beginning October 17th, 2016 and continuing for approximately 2 weeks, the West Lincoln Water Department will be flushing all hydrants as part of our Fire Hydrant and Water Quality Maintenance Program.

During this flushing program, you may experience temporary reduced water pressure and cloudy water conditions. Please be assured the quality of the drinking water will not be affected, although it may be necessary to run your tap for a short period of time for the water to clear.

Should you have any questions, please contact the Public Works Department at 905.957.3346 ext. 5139.

Your understanding and cooperation are appreciated.
