

Committee Seeks Public Input

Following the success of its first plan, the Joint Accessibility Advisory Committee (JAAC) of Lincoln, West Lincoln, Pelham, Thorold, Niagara-on-the-Lake and Grimsby again seeks the public's input on its Multi-Year Accessibility Plan for 2018-2022.

The JAAC assists the Township of West Lincoln in meeting its accessibility requirements. Feedback from people with disabilities facing barriers within their community is vital to JAAC committee members to address the various needs from the public.

Citizens of West Lincoln are invited to provide feedback about accessibility by filling out a survey using the following link: <https://www.surveymonkey.com/r/Y2QVM8C>.

People can also attend a public meeting. The meeting will take place on Wednesday, July 12, 2017 from 6:30-8:30 pm at Township of West Lincoln Municipal Offices, 318 Canborough St, Smithville, ON L0R 2A0.

American Sign Language (ASL) services will be made available upon request. To request ASL services, please contact Donna Herrington at donna@theherringtongroup.ca.
