Ontario Municipal Board Hearing – CANCELLED

West Lincoln, ON - Effective on June 30th, 2015 the urban boundary swap/adjustment process as implemented by Official Plan Amendments 37 and 38 came into full force and effect.

Official Plan Amendments 37 and 38 received two appeals to the Ontario Municipal Board. By June 30th, 2015, both appeals had been withdrawn. As the appeals were withdrawn, the OMB Hearing was no longer necessary. The OMB Hearing has now been cancelled.

Within the next few weeks, Township Staff will be preparing reports to Township Council that address the next steps in the process towards making these new urban lands available for development.
