

## **MEDIA RELEASE**

For immediate release:

### **EXEMPTIONS TO NOISE BY-LAW GRANTED TO ASSIST WITH TRAFFIC CONGESTION MITIGATION DURING PAN AM/PARAPAN AM GAMES**

**West Lincoln, Ont. – March 13, 2015** – On February 17, 2015, Township of West Lincoln Council approved a motion to exempt truck deliveries to businesses and industries in the Township between June 26 and August 15, 2015 due to the Pan Am and Parapan Am Games, with the exception of any proponents operating in accordance with an existing Road Use Agreement.

The request from the Ministry of Transportation (MTO) was precipitated by the need to mitigate the risk of delays and to provide for “later than normal” shipments/deliveries that may arise due to the implementation of the Games Route Network on Greater Toronto and Hamilton area highways.

This release has been provided to inform West Lincoln businesses and residents of the actions that have been taken to accommodate the Pan AM and Parapan AM games, as requested by the MTO.
