

NIAGARA 2041

Fostering an Environment for Economic Prosperity

Get Involved in Niagara's Future: Attend a Public Information Centre

In the next 25 years, Niagara is expected to grow, bringing a possible 168,000 new residents and 80,000 new jobs to the region.

Niagara Region is making sure we're prepared for this growth through three projects that will help us plan where and how that growth will occur, and how it will be accommodated.

HOW WE GROW:

The Municipal Comprehensive Review will look at the land we have available across Niagara, and will ensure we have enough to sustain our expected growth to the year 2041. It will also examine how that land is distributed throughout Niagara.

HOW WE FLOW:

The Water and Wastewater Master Servicing Plan will ensure Niagara has the infrastructure to provide critical water and wastewater services to our growing region in a sustainable and financially responsible way.

HOW WE GO:

The Transportation Master Plan will look at how we currently travel in and around Niagara and how we can improve our transportation systems, including options for walking, cycling and public transit, to better serve Niagara's future needs.

GET INVOLVED:

Residents are invited to attend a Public Information Centre to learn how each of these projects contribute to Niagara's overall growth plan for the next 25 years, and how you can have your voice heard.

Nov. 17, 2015

Town of Grimsby
Council Chambers
160 Livingston Ave.
4 - 8 p.m.

Nov. 18, 2015

City of Port Colborne
Vale Health & Wellness Centre
550 Elizabeth St.
4 - 8 p.m.

Nov. 19, 2015

City of St. Catharines
Kiwans Aquatic Centre
425 Carlton St.
4 - 8 p.m.

There is an opportunity at any time during this process for interested persons to bring comments and concerns to the attention of the project managers, and to review outstanding issues. If you have any questions or comments or wish to be added to the study mailing list, please contact us:

HOW WE GROW

Greg Bowie

If you require any accommodations for a disability in order to attend and participate in meetings or events, please let us know in advance so that arrangements can be made in a timely manner. Special accessibility accommodations and materials in alternate formats can be arranged by contacting the Niagara Region's Accessibility Advisory Coordinator at 905-685-4225 ext. 3252 or accessibility@niagararegion.ca.

The Transportation and Water and Wastewater studies follow the Master Plan process as outlined in Section A.2.7 of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (Oct 2000, as amended in 2007 and 2011). The Master Plan will be filed under Approach #2 of the MEA Class EA Approach for Master Planning. The Master Servicing Plan will satisfy the planning requirements for Schedule A, A+ and select Schedule B projects and provide the basis for future investigations of identified Schedule B and C projects.
