

**NOTICE OF MEETING  
PROPOSED STREET NAME CORRECTION – TOWNSHIP OF WEST LINCOLN**

The Planning/Building/Environmental Committee of the Township of West Lincoln invites you to attend a meeting on **September 9<sup>th</sup>, 2019** at 6:30PM in the Municipal Council Chambers, 318 Canborough Street, Smithville, to consider the preferred street name for Regional Road 614, also known as Townline Road, pursuant to the Township's Rules and Procedures By-law (2013-58), as amended. Notice is hereby given pursuant to the Township of West Lincoln's Procedural By-law that the Planning/Building/Environmental Committee of the Township of West Lincoln intends to establish the street name of a public road.

Regional Road 614 and Townline Road are both commonly used when referring to the portion of road between Canborough Street and Regional Road 20 (Highway 20). There is also one instance of Regional Road 14 being used within this section.

The use of Regional Road 614 was correct until roughly 1995 when the road was downloaded to the Township of West Lincoln and was no longer maintained by the Region. Therefore, the term "Regional Road" cannot be used or further considered when determining a name for this portion of road.

Through staff research, it was found that some historical mapping and plans of subdivision reference this portion of road as Townline Road. The road used to be the boundary between South Grimsby Township and Gainsborough Township.

If you wish to address the proposed street name and your preference, you may provide written comments to the Planning Department by Friday, August 30<sup>th</sup>, 2019 (to be presented to the Planning/Building/Environmental Committee) or you may speak at the Monday, September 9<sup>th</sup>, 2019 Public Meeting. Staff encourages you to contact the Township prior to September 9<sup>th</sup>, 2019 to discuss any questions or concerns that you have. If you require further information, please contact the undersigned during regular office hours, Monday to Friday – 9:00 a.m. to 4:30 pm, at 905-957-3346.
