

DOWNTOWN SMITHVILLE COMMUNITY IMPROVEMENT PLAN

REQUEST FOR APPLICATIONS

FOR DOWNTOWN SMITHVILLE COMMERCIAL BUILDING FAÇADE GRANT PROGRAM

The Township of West Lincoln encourages commercial building owners or tenants in the Downtown Smithville Community Improvement study Area (see location map) to submit proposals for façade improvement to the Township Planning Department. The Downtown Smithville CIP was approved in October of 2009. Since that time, Township Council has assembled some money that is now being made available for interested parties who wish to make application to the Township.

Interested proponents should access the Township of West Lincoln's website to review the detailed application requirements for the Commercial Building Façade Grant Program and its associated documentation. (Also included in Staff Report PD-111-17)

Interested proponents should submit their proposal by:

2:00 p.m. (EST) on Friday, October 6, 2017

Proposals shall be submitted to:

**Carolyn Langley, Clerk
Township of West Lincoln
318 Canborough Street
P.O. Box 400
Smithville, Ontario
L0R 2A0**

Please note that the Township reserves the right to accept or reject any or all submissions. The Township will not necessarily accept every proposal due to limited funds. The final decision on the awarding of grant approval rests with Township Council. For additional information and a detailed copy of the Application Requirements concerning proposals for funding, please visit the Township's website at www.westlincoln.ca; or contact Brian Treble at 905-957-3346 ext. 5138.
