

TEMPORARY ROAD CLOSURE

PARK ROAD SOUTH – MUD STREET TO RIDGE ROAD

TOWN OF GRIMSBY

JULY TO SEPTEMBER 2015

Park Road South will be closed to through traffic between Mud Street and Ridge Road in the Town of Grimsby, throughout July, August, and part of September 2015.

Niagara Region is undertaking upgrades to the Smithville Sewage Pumping Station. This includes replacement of 10 kms of sewage forcemain in West Lincoln and Grimsby. Park Road is being temporarily closed to allow for the installation of a new sewage forcemain between Mud Street and Ridge Road. Alternate routes around the construction zone are posted and should be taken. Your co-operation and patience during this period of inconvenience will be appreciated.

Please note that access to all businesses and residences will remain open at all times during construction. Emergency services and school bus operators will be notified of the closure.

Any inquiries concerning this project may be directed to Niagara Region Dispatch at 905-684-3690 or Gino Giancola, B.Sc., CET, PMP®, Project Manager Water & Wastewater Engineering, at 905-685-4225 ext. 3735.

Periodic updates will be made available through Niagara Region's website (www.niagararegion.ca), the Township of West Lincoln's website (www.westlincoln.ca), and the Town of Grimsby's website (www.grimsby.ca).
