

**TEMPORARY ROAD CLOSURE  
PARK ROAD SOUTH – MAIN STREET EAST TO RIDGE ROAD  
OCTOBER TO NOVEMBER 2015**

Park Road South will be closed to through traffic between Main Street East and Ridge Road in the Town of Grimsby, commencing Oct. 13, 2015 for approximately four (4) weeks.

Niagara Region is undertaking upgrades to the Smithville Sewage Pumping Station. This includes replacement of 10.5 km of sewage forcemain in West Lincoln and Grimsby, and rehabilitation of concrete sewer maintenance holes (MHs) along Park Road South. Park Road South is being temporarily closed to allow for the rehabilitation of the MHs between Main Street East and Ridge Road. Alternate routes around the construction zone will be posted and should be taken.

Construction personnel will be available to assist property owners with access to and from their properties. Emergency services will be notified of the closure.

Residents are also advised that there may be increased odours in the vicinity of the maintenance holes during the rehabilitation work. This is a temporary condition and your patience and understanding during this time are appreciated.

Any inquiries concerning this project may be directed to Niagara Region Dispatch at 905-984-3690 or Gino Giancola, B.Sc., CET, PMP®, Project Manager Water & Waste water Engineering, at 905-685-4225 ext. 3735.

Periodic updates will be made available through Niagara Region's website ([www.niagararegion.ca](http://www.niagararegion.ca)), the Township of West Lincoln's website ([www.westlincoln.ca](http://www.westlincoln.ca)), and the Town of Grimsby's website ([www.grimsby.ca](http://www.grimsby.ca)).

Your co-operation and patience during this period of inconvenience are appreciated.
