PART II- SHORT TITLE

2. This By-law may be cited and known as the "Site Alteration By-law"

PART III- SCOPE

3. This By-law shall apply to all Site Alterations within the Township, unless a Conservation Authority has made a regulation under section 28 of the Conservation Authorities Act applicable to the Site, or unless specifically excluded pursuant to this By-law.

PART IV- GENERAL PROHIBITIONS AND REGULATIONS

4. No person shall cause, permit, perform or carry out a Site Alteration without first obtaining a Permit from the Township to do so.
5. Where a Permit has been issued under this By-law authorizing a Site Alteration, no persons shall undertake or permit a Site alteration exception in accordance with:
 - a) The plans, documents or other material filed in support of the issuance of the Permit;
 - b) The conditions attached to the permit;
 - c) Compliance with the terms of any Agreement with the Township entered into under this By-law; and
 - d) The provisions of this By-law.
6. No person shall modify an approved Site Alteration without approval of the Director.
7. No person shall operate a Commercial Fill Operation in the Township.

8. No person shall place or Dump Fill, or cause or permit the Placing or Dumping of Fill unless such Fill complies with the Ministry of Environment standards for clean Fill, as described in the *Environmental Protection Act*, R.S.O. 1990, c.E.19, as amended.
9. No person shall fail to obey an Order issued under this By-law.
10. No person shall obstruct a Municipal Law Enforcement Officer carrying out an inspection under this By-law.

Part V- EXEMPTIONS

11. This By-law is not applicable to the following:
 - a) public sector related activities or matters undertaken by a municipality or a local board of a municipality;
 - b) the placing or dumping of fill, removal of topsoil or alteration of the grade of land imposed after December 31, 2002 as a condition to the approval of a site plan, a plan of subdivision or a consent under section 41, 51 or 53, respectively, of the *Planning Act* or as a requirement of a site plan agreement or subdivision agreement entered into under those sections;
 - c) the placing or dumping of fill, removal of topsoil or alteration of the grade of land imposed after December 31, 2002 as a condition to a development permit authorized by regulation made under section 70.2 of the *Planning Act* or as a requirement of an agreement entered into under that regulation;
 - d) the placing or dumping of fill, removal of topsoil or alteration of the grade of land undertaken by a transmitter or distributor, as those terms are defined in section 2 of the *Electricity Act, 1998*, for the purpose of constructing and maintaining a transmission system or a distribution system, as those terms are defined in that section;
 - e) the placing or dumping of fill, removal of topsoil or alteration of the grade of land undertaken on land described in a licence for a pit or quarry or a permit for a wayside pit or wayside quarry issued under the *Aggregate Resources Act*;
 - f) the placing or dumping of fill, removal of topsoil or alteration of the grade of land undertaken on land in order to lawfully establish and operate or enlarge any pit or quarry on land,
 - (i) that has not been designated under the *Aggregate Resources Act* or a predecessor of that Act, and
 - (ii) on which a pit or quarry is a permitted land use under a by-law passed under section 34 of the *Planning Act*, or
 - g) the placing or dumping of fill, removal of topsoil or alteration of the grade of land undertaken as an incidental part of drain construction under the *Drainage Act* or the *Tile Drainage Act*.
12. (i) A Permit is not required for:
 - a) A Site Alteration involving an amount of Fill less than five hundred (500) cubic metres on a Lot within any one year period, provided there is no change in the location, direction or elevation of any natural or artificial watercourse, open channel, swale or ditch used to drain the land and provided that there is no impact on the direction or rate of drainage to neighbouring properties;
 - b) A Site Alteration which involves the dumping or placing of topsoil on a Lot for improving the soil capability for agricultural purposes on Agricultural Lands as part of a Normal Farm Practice;
 - c) A Site Alteration that is incidental to a grading requirement under the Ontario Building Code for the construction or demolition of a building or structure for which a building permit has been issued or for the purpose of constructing a driveway, parking lot or assembly area reasonably accessory to building or structure for which a building permit has been issued;

- d) A Site Alteration for a septic disposal system where a permit has been issued by the Township or Ministry of the Environment in accordance with Part 8 of the Ontario Building Code;
 - e) A Site Alteration on lands for the purpose of flood or erosion control to establish finished grade shown on a grading and drainage plan approved by the Conservation Authority;
 - f) A Site Alteration on lands for storage purposes either as a primary or accessory use provided that the use is permitted on the lands pursuant to the Zoning By-law;
- (ii) Notwithstanding that a Permit is not required, every person carrying out a Site Alteration in the Township shall provide notice of same to the Director as outlined on Schedule D.

PART VI- ADMINISTRATION AND REQUIREMENTS FOR ISSUANCE OF A PERMIT

13. The Director shall be responsible for the administration of this By-law.

14. Every Owner applying for a Permit shall submit to the Director:

- a) A completed application in the form provided in Schedule "A" to this By-law;
- b) The fee prescribed for a Permit as set out in Schedule "B" of this By-law;
- c) A Road Damage Deposit not exceeding \$5,000.00;
- d) A description of the Fill proposed to be dumped or placed including a detailed description of the source of the Fill, the quantity of the Fill and the proposed placement of the Fill;
- e) A Site Alteration Plan satisfactory to the Director, accurately indicating the following:
 - (i) The property lines of the lands and location on the property of the Site Alteration with dimensions;
 - (ii) All existing storm sewers, ditches, swales, creeks, watercourses and wetlands on the lands and on abutting lands and public Roads;
 - (iii) All Woodlands on the Site and of all easements and right-of-way's over, under, across or through the Site;
 - (iv) All existing buildings and driveways on the lands;
 - (v) Proposed grades and drainage systems upon completion of the Site Alteration;
 - (vi) Proposed ground covering to be used upon completion of the Site Alteration.
- f) Proof of permission with respect to the placement or dumping of the Fill from the grantee of any easement on the Site impacted by a Site Alteration;
- g) Where applicable, copies of any approval required from any other agency, including but not limited to the Niagara Peninsula Conservation Authority;
- h) The proposed haul route;
- i) Any other study, report, plan or material related to the application as deemed necessary by the Director to constitute a Complete Application.

15. An applicant for a Permit, shall, in addition to the requirements of Section 14 above:

- a) Certify that the Fill contains no contaminants within the meaning of the *Environmental Protection Act*, R.S.O. 1990, c.E.19, as amended; and
- b) Forever and unconditionally release and indemnify the Township with respect to any and all liability which may arise in the event that the Fill contains contaminants within the meaning of the *Environmental Protection Act* and any successor legislation.

16. The certificate and release and indemnity required by Section 16 above, shall be in the form prescribed by the Director from time to time.

PART VII- ISSUANCE OF A PERMIT BY THE DIRECTOR

17. The Director shall review or cause to be reviewed a complete Permit application. In reviewing the application the Director may seek comments from any other agency s/he deems necessary as part of a Complete Application.
18. The Director shall issue a Permit where:
- a) The Applicant has fulfilled the requirements of this By-law, including the payment of all applicable fees, charges, securities and deposits;
 - b) The Director is satisfied that the Site is not within an area where the Site Alteration is prohibited under this By-law or any other applicable law;
 - c) The issuance of the Permit will:
 - (i) 1. result in maintaining or improving the overall agricultural capability of the Site or is incidental to a Normal Farm Practice; or
 - 2. is appropriate for the development of the land;
 - (ii) will maintain the general intent and purpose of this By-law.
 - d) The amount of Fill to be dumped or placed on any lot will not exceed one thousand (1000) cubic metres in which case the approval of Council will be required.
19. Where the Director refuses to issue a Permit, an applicant may appeal the decision of the Director to Council, and Sections 23 through 26 shall apply, with necessary modifications to the appeal process.
20. The Director shall not issue a Permit or accept an application for a Site Alteration within one (1) year of the expiry date of any previous Permit.

PART VIII – CONSIDERATION BY COUNCIL

21. Where the Site Alteration involves the placing or dumping of Fill on a lot that exceeds the one thousand (1000) cubic metres within any one year period, the Permit for such Site Alteration may only be issued by Council, which shall have the same powers as the Director pursuant to this By-law.
22. In addition to the requirements of Section 14 above, every Owner applying to Council for a Permit for a Site Alteration involving in excess of one thousand (1000) cubic metres of Fill will be required to enter into a Site Alteration Agreement in the form outlined in Schedule “C” to this By-law which may include a requirement to post additional Security.
23. Upon receipt of a complete application for a Site Alteration that exceeds one thousand (1000) cubic metres, the Director shall:
- (a) Schedule a review date before Council;
 - (b) Give the requesting Owner notice of the review date at least thirty (30) days prior to the hearing date; and
 - (c) Give all landowners within one hundred and twenty (120) metres of the boundaries of the Site notice of the application.
24. Delivery of any notice to the Applicant shall be made by personal delivery or registered mail. The notice shall be deemed to have been delivered on the seventh day after the date of mailing or on the date of personal delivery.
25. Consideration of the application shall be held in public, and Council shall hear the Applicant and every other person who desires to be heard in favour or against the

issuance of the Permit, and Council may adjourn the meeting or reserve its recommendation.

26. Upon reviewing the application, Council shall consider whether the application meets the requirements of Section 18 of this By-law.

PART IX- CONDITIONS ON PERMITS AND HAUL ROUTES

27. As a condition of the issuance of a Permit, the Director may require an Owner of the Site which is the subject of the Permit either prior to the Permit being issued or after the Permit has been issued, to comply with one or more of the following:

- a) Notify the Director in writing within forty-eight (48) hours of commencing any work under the permit;
- b) Notify the Director in writing within forty-eight (48) of the completion of the work under the permit;
- c) Maintain the Road providing ingress and egress to the Site in the same condition that existed prior to the commencement of the work;
- d) Keep all Roads providing ingress and egress to the Site free from any damage, equipment or material or mud tracked onto the Road arising from any works undertaken as a result of the Permit;
- e) Remediate and clean up forthwith any material or mud tracked onto the Road where required to do so by Township staff;
- f) Ensure that any dust control measures are in place so as to restrict and limit the blowing of dust onto any adjacent lands;
- g) Keep and maintain and make available to the Director the following records:
 - (i) The full and complete legal name and business name if different from the legal name of each hauler;
 - (ii) The commercial vehicle registration number of each hauler;
 - (iii) The motor vehicle permit number of the motor vehicles owned and operated by each hauler;
 - (iv) The date and time of delivery of Fill;
 - (v) The point of origin of each delivery of Fill;
 - (vi) The volume of each delivery of Fill;
 - (vii) The content of material of each delivery of Fill; and
 - (viii) Any other information required by the Director.
- h) Install temporary signage in accordance with Ministry of Transportation's Ontario Traffic Manual (OTM) Book 7 regulations on all Roads immediately adjacent to the site where Fill is being Dumped or placed;
- i) Ensure that any machinery operating on a Road or any person directing traffic on a Road does so in a manner acceptable to the Director and in accordance with all other applicable law;
- j) Ensure that Fill placed or Dumped on the Site is in accordance with the Permit, the Site Plan and all other applicable law;
- k) Provide the Director or a Municipal Law Enforcement Officer a report from a qualified engineer or environmental consultant possessing an expert or special knowledge in respect to the source and nature of the Fill to be placed or dumped that the Fill meets the standards prescribed by the Ministry of the Environment;
- l) Provide Security to secure the maintenance of the roads that are used by trucks delivering or removing Fill in a state of repair and free from dust and mud;
- m) Comply with any other conditions imposed by the Director.

28. In addition to section 27 above, the Township may designate one or more Haul Routes to be used to and from a Site for the Site Alteration as a condition of a Permit issued under this By-law.

29. Where Haul Routes are not within the jurisdiction of the Township, the Township may require that the applicant provide proof of permission to use the Roads.
30. Every Owner who is issued a Permit under this By-law shall be responsible for ensuring that the designated Haul Routes are used by any person coming to or from the Site for works carried out under the Permit and any failure to do so shall be a contravention of this By-law.
31. The Township may engage legal, engineering or other technical consultants the Director deems necessary in order to evaluate and/or review studies and/or agreements or to provide assistance to the Director in respect of an application and ensuing Site Alteration in which case such costs shall be charged back to the applicant.
32. The Township may draw on a Security in order to remedy any breach of the provisions of this By-law, the conditions of a Permit, or any other obligation of the Owner relating to the Permit.
33. The issuance of a Permit under this By-law does not relieve an Owner or any other person from compliance with the By-law or any other applicable law.

PART X- SUSPENSION, REVOCATION, TRANSFER AND EXPIRY OF A PERMIT

34. A Permit issued pursuant to the provisions of this By-law may be revoked by the Director under any of the following circumstances:
 - a) If the Permit was issued on mistaken, misleading, false or incorrect information;
 - b) Where the Owner is in contravention of a condition to the Permit, a provision of this By-law, or a provision of the Site Alteration Agreement, where one has been entered into.
35. A Permit issued pursuant to this By-law shall be valid for a period of six (6) months from the date of issuance, but shall expire after three (3) months from the date of issuance if work has not been commenced by that date.
36. Should a Permit expire, the Permit holder is not entitled to a refund of any Permit fees paid pursuant to this By-law.
37. A Permit which has expired may be renewed within a six (6) month period following the date of expiry upon submission of a new application to the Director accompanied by a payment of Permit fees, provided that the previously permitted work has not been revised.
38. A Permit may be cancelled upon written request from the Owner to the Director. A Site inspection will be conducted to ensure that no work has commenced and that the Site is in an acceptable condition, and at the discretion of the Director, a refund of the Permit Fees may be made.
39. If title to the land for which a Permit has been issued is transferred while the Permit remains in effect, the Permit shall be cancelled unless the new Owner, within thirty (30) days of the transfer:
 - a) Provides the Township with an undertaking agreeing to comply with all conditions and agreements under which the existing Permit that was issued; or
 - b) Applies for and obtains a new Permit in accordance with the provisions of this By-law.

PART XI- ORDERS

40. For the purpose of ensuring compliance with this By-law, a Municipal Law Enforcement Officer may, at all reasonable times, enter upon and inspect any land to determine whether or not the following are being complied with:
 - a) this By-law;
 - b) a condition of a Permit;

- c) a provision of the Site Alteration Agreement or a direction or order made under this By-law; or
 - d) a prohibition order made under s. 431 of the *Municipal Act, 2001*.
41. A Municipal Law Enforcement Officer may, for the purposes of the inspection under Section 40:
- a) require the production for inspection of documents or things relevant to the inspection;
 - b) inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
 - c) require information in writing or otherwise as required by the officer from any person concerning a matter related to the inspection; or
 - d) alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purposes of the inspection.
42. Any cost incurred by the Township in exercising its authority to inspect under Section 41 (d) including but not limited to the cost of any examination, test, sample or photograph necessary for the purposes of the inspection, shall be paid by the Owner or occupant of the property where the inspection takes place.
43. a) If a Municipal Law Enforcement Officer is satisfied that a contravention of this By-law has occurred, the Officer may make an Order requiring the Owner of land or the person who caused or permitted a Site Alteration to discontinue the activity and the Order shall set out:
- (i) the municipal address or the legal description of the Site;
 - (ii) reasonable particulars of the contravention; and
 - (iii) the period within which there must be compliance.
- b) If a Municipal Law Enforcement Officer is satisfied that a person has caused or permitted the performance of a Site Alteration in contravention of the provisions of this By-law, the officer may make an Order requiring work to be done to correct the contravention and the Order shall set out:
- (i) the municipal address or the legal description of the Site;
 - (ii) reasonable particulars of the contravention and the work to be done;
 - (iii) the period within which there must be compliance; and
 - (iv) A notice stating that if the work is not done in compliance with the Order within the period as specified, the Township may have the work done at the expense of the Owner.
44. a) Orders issued by a Municipal Law Enforcement Officer under Section 43 shall be served personally or by registered mail to the last known address of the Owner of the land and to any other person to be served.
- b) If an Order is served by registered mail, the service shall be deemed to have been made on the fifth day after the date of mailing.
45. Upon completion of the work to correct the contravention by or on behalf of the Township under Section 43(b), the Township shall have a lien on the land for the amount spent in excess of any Security applied to correct the contravention and the amount shall be deemed to be municipal property taxes and may be added to the tax roll and collected in the same manner and with the same priority as municipal property taxes as provided for by statute.

PART XII- PENALTY AND OFFENCE

46. Every person who contravenes any provision of this by-law is guilty of an offence and upon conviction is liable:

- a) On a first conviction, to a fine of not more than \$10,000; and
- b) On any subsequent conviction, to a fine of not more than \$25,000.

47. Notwithstanding Section 46 above, where the person convicted is a Corporation, the maximum penalty that may be imposed is,

- a) On a first conviction, to a fine of not more than \$25,000; and
- b) On any subsequent conviction, to a fine of not more than \$50,000.

48. In addition to any fine or any other penalty, any person who is convicted of contravening a provision of this By-law, the terms or conditions of a Permit issued pursuant to this By-law or any Order issued pursuant to this By-law as amended, may be ordered by a Court of competent jurisdiction at the expense of the person to:

- a) Rehabilitate the land;
- b) Remove the Fill placed or dumped;
- c) Restore the grade of the land to its original condition.

PART XIII - SEVERABILITY

49. Should a court of competent jurisdiction declare any provision of this by-law to be invalid or of no force and effect, the provision is deemed severable from this by-law and it is the intention of the Township that the remainder of the by-law shall survive and be applied and enforced in accordance with its terms to the extent possible under the law.

PART XIV – REPEAL OF BY-LAW 2015-55

50. By-law No. 2015-55 is hereby repealed.

PART XIV- ENACTMENT

51. This by-law shall come into force and effect on the date of passing.
