#### About the application for Minor Variance (Location sketch on back):

##### A15/2024WL – Haining & Cook (Rodney Friesen– Agent)

##### Property Address: 56 Wade Road

A Minor Variance application has been applied for to permit an accessory building (detached garage) on the subject property which requires two variances from the Township's Zoning By-law.

Relief is being requested to allow a total lot coverage of 113 square metres for all accessory buildings and structures whereas, Table 1-2 (Part 3) of the Township's Zoning By-law, identifies 100 square metres or 8% as the maximum lot coverage for accessory buildings and structures on a lot within a Residential Low Density 'R1C' zone. The proposed accessory building, covered porch and covered deck would total 15.5% in the property's lot coverage.

Relief is also being requested to allow an exterior side setback of 3 metres whereas, Table 1-2 identifies an accessory building or structure cannot be located closer than the main building or 6 metres to an exterior side lot line.
